KEY ACHIEVEMENTS

What moved forward this year

01

Community Mobilisation

Regular village-level meetings and women’s participation across programme areas.

02

Violence & Case Support

Support to women and families facing domestic violence through case work and follow-up.

03

Legal Awareness

Community sessions on women’s and children’s rights and key laws.

PROGRAMME STORIES

Economic Empowerment

Livelihood and skill-building activities for women.

Mental Health & Wellbeing

Community conversations creating safer spaces to speak about emotional wellbeing.

IMPACT ON COMMUNITIES

The year was not only about activities — it was about creating spaces for people to speak, seek support and act.

- PMVT supported women facing violence through case work, follow-up and referrals.
- Community meetings strengthened awareness of rights and available legal support.
- Women’s economic empowerment remained an important part of the organisation’s work.

A YEAR IN PICTURES

LOOKING AHEAD

Continuing the work

- Deepen community-led conversations on rights and wellbeing.
- Continue support for women and children facing violence.
- Strengthen women’s economic independence and leadership.
- Use theatre, research and dialogue to challenge discrimination.
- Build stronger community and institutional partnerships.

THANK YOU

From community conversations to concrete support — continuing the work for dignity and justice.
