KEY ACHIEVEMENTS

What moved forward this year

01

Mindful Mountains – Man Samvad

Community spaces for conversations on mental health, wellbeing and everyday concerns. Man Samvad began in 2024 and expanded through the structured initiative.

02

Theatre & Gender Justice

Performances and school/community shows opened conversations on caste discrimination, mental health and gender.

03

Women's Land Rights

Consultations and public discussions strengthened the conversation on women's land rights.

PROGRAMME STORIES

Domestic Violence Support

Case support, mediation, legal help and referrals continued for women facing violence.

Livelihood & Economic Independence

Exhibitions, trainings and income-generating activities supported women's economic independence.

IMPACT ON COMMUNITIES

The year was not only about activities — it was about creating spaces for people to speak, seek support and act.

- Community mental health spaces reached people across 38 panchayats.
- Women made up 95.1% of unique participants in the Mindful Mountains–Man Samvad programme.
- Theatre, legal support, livelihood and land rights work continued as connected parts of PMVT's wider justice work.

A YEAR IN PICTURES

LOOKING AHEAD

Continuing the work

- Deepen community-led conversations on rights and wellbeing.
- Continue support for women and children facing violence.
- Strengthen women's economic independence and leadership.
- Use theatre, research and dialogue to challenge discrimination.
- Build stronger community and institutional partnerships.
